

ABILITY ONLINE MAKING HISTORY

CELEBRATING THE FUTURE OF ABILITY ONLINE, AT THE ROYAL ONTARIO MUSEUM

You're invited to join us for a historic evening of great food, big laughs and inspiration.

We all know that laughter is the best medicine, and with Colin Mochrie and Deb McGrath as our celebrity guests for the evening, the laughter is a given.

While you stroll through history in the Dinosaurs and Mammals Galleries at the ROM, you'll be tempted by tasty morsels, including some from Chef Keith Hoare, a winner of Chopped Canada, Season One. Keith will be available for Q&A and autographs.

And, to add to the excitement, we'll be selling mini dinosaur eggs. And every egg wins a prize.

Family and supporting families is one of the many things that makes Ability Online special, so children of all ages and abilities are welcome.

Ability Online (www.abilityonline.org) is a vibrant online community for youth & young adults of all abilities. Membership is free and the online experience is safe, secure and monitored. Learning modules are designed to help our members develop self-esteem, confidence and increased independence. As an added bonus of membership, families who have children 18 years of age and under qualify for an equipment grant (Ability Gives program) that will improve quality of life and/or increase independence.
